FROM: HQ ARPC/DPBB
6760 E Irvington Place #2020
Denver CO 80280-2020

SUBJECT: FY06 Air Force Reserve Line and Nonline Colonel Promotion Selection Boards -
V0606A, W0606A

Attached are alphabetical listings of the Air Force Reserve officers selected or non-selected for promotion to the grade of colonel (attachments 1 and 2). The selection boards convened in accordance with Title 10, U.S.C. and AFI 36-2504 at Headquarters Air Reserve Personnel Center (ARPC).

Public release is 20 Dec 2005. Please do not inform officers of their status until public release date. Until that time, all attachments are "For Official Use Only" and may be seen only by those officials who are responsible for administrative processing of the lists. In accordance with the Privacy Act of 1974, disclosure of the select list containing Social Security Numbers (SSNs) without the consent of **all** individuals on the list is an invasion of privacy. As a result, the lists **cannot** be publicly displayed until the "For Official Use Only" designation and SSNs are removed.

Officers not selected for promotion by the mandatory board are considered "to have failed of selection for promotion" as defined by Title 10, U.S.C., Section 14501. Those officers are identified at Attachment 2. The nonselect lists are provided to permit full accounting for all candidates and **cannot be displayed or released at any time.**

Military Personnel Flights (MPFs) are responsible for extracting the select/non-select listing from the Promotion Recommendation In-Board Support Management (PRISM) system and furnishing unit commanders the names of their officer's selected and non-selected for promotion prior to the public release date. The listing will contain the increment numbers assigned to each individual. There are various ways to pull the selects/non-selects listing, so we encourage you to ensure you have all candidates supported by your base accounted for. Commanders are required to notify those candidates as well as continue to evaluate officers selected and ensure propriety of promotion. A sample letter to notify reservists (other than AGR) of promotion can be found in AFI 36-2504, attachment 6. If it becomes appropriate to involuntarily delay an officer's promotion or to remove an officer's name from a select list, comply with AFI 36-2504, chapter 7. Such actions must be initiated prior to the effective date of promotion. Should voluntary delay of promotion be appropriate, see AFI 36-2504, chapter 8.

After Senate confirmation, officers will be promoted in increments announced by HQ USAF/REP. HQ ARPC/DPBPE will publish promotion orders at the appropriate time and will enter selection data in MILPDS. Authorization for Active Guard/Reserve (AGR) officers to assume the grade on active duty will be processed by the immediate commander through

HQ USAF/REAMO. Orders will be published and distributed in accordance with AFI 36-2504, paragraph 5.12. Requests for missing orders should be addressed to HQ ARPC/PSDC.

Commanders may nominate their selectees for accelerated promotion if they satisfy the eligibility requirements specified in AFI 36-2504 paragraph 6.5, a format of the request letter can be found in AFI 36-2504, Attachment 5. Accelerated promotions are effective upon the date designated by the senior rater, unless the officer does not meet the specified requirements. If HQ ARPC/DPBPE determines the officer is not qualified for accelerated promotion, the senior rater will be notified.

An officer selected for promotion is considered to have accepted the promotion on the Promotion Effective Date (PED) unless the officer expressly declines the promotion. An officer must submit a declination statement IAW AFI 36-2504, Chapter 8 no later than 2400 on the day before the PED.
